MONTEPULCIANO
D'ABRUZZO

2021

Imagine a small beautiful uninhabited valley surrounded by vineyards, in the wild mountains of Abruzzi in central Italy.

Imagine now the rays of the hot sun tenderly warming the grapes and the bright cool moon refreshing them at night.

Breathe the air of the crisp winds from the high mountain peaks and hear the wolves' spine-tingling howl in the distance. This is where our Montepulciano vines grow, this is where nature has given us a precious gift.
