## VINO DA UVE APPASSITE ROSSO

RED WINE / VIN ROUGE - ORGANIC WINE / VIN BIOLOGIQUE

750ml e **. 2021 .**  
**VINO BIOLOGICO** 14,0% alc./vol.

This wine is made from grapes produced in the Appassimento style, carefully dried in the Abruzzo region, in Central Italy. Drying the grapes concentrates sugars, resulting in bold flavours and aromas, and a fuller mouthfeel. Abruzzo is a beautiful and wild uninhabited area surrounded by vineyards, where the highest mountains of the Apennine chain look at the Adriatic sea. Here, in one of the greenest region of Europe, the rays of the hot sun tenderly warm the grapes and the bright cool moon refreshes them at night. The wine is perfect to pair with cheese, meat or pasta.
