

RONEPASSO™

ROSSO ORGANICO

ORGANIC RED WINE

Ronepasso is made by winemaker Gio DiMastro who have been putting in his whole heart and passion to achieve a perfect balance of tannins, texture and concentrated flavor with a long finish. Pour the wine to your mouth, close your eyes and enjoy the outstanding result. The taste is a fine balance of dark berries, plums, vanilla, chocolate and oak. Best served at 12-16°C in combination of dished such as pasta, pizza, meat and cheese! Ronepasso is also a wine that is very enjoyable by its own!
