ORGANIC RED WINE

2021

This organic red wine is a blend of selected Primitivo grapes from the Puglia region. Grapes from vineyards who produce the same high quality year after year, have been chosen for the creation of this wine. The winemakers call this cuvée THE TATTOO BLEND, because every vintage is identical.

This Primitivo has been fermented in open oak before it's blended according to THE TATTOO BLEND recipe. The result is a complex, fruity, and generous wine with hints of plum and chocolate.

Goes very well with dishes of red meat, poultry and game, as well as pasta dishes and cheese. Best served at 18°C.
