ORGANIC WHITE WINE
2020

This organic wine is made from selected Chardonnay grapes from the Puglia region. Vineyards that produce the same high quality grapes, year after year has been chosen for the creation of this wine. Our winemakers call this cuvée THE TATTOO BLEND, since the quality and character of the wine is identical every year - just like a tattoo.

Allegro Chardonnay is a full-bodied wine with a taste that reveals excellent fruit and a plethora of flavors. To further enhance the complexity, part of the wine has been matured in oak. This wine is the ideal choice for fish, seafood, chicken and salads, or simply enjoyed by its own as an aperitif. 10-12°C.
