Indicazione Geografica Tipica

Our three friends who named this wine each represent an important characteristic of it.

- **BIG BOY**; Complexity – In order to give the wine additional complexity, it has been fermented and matured in oak.
- **BIGGER BOY**; Intensive fruit – The Zinfandel grape, cultivated with the bush-vine, “Alberello” method, is known to produce wines of delicious intensive fruit of dark berries and herby spices.
- **BIGGEST BOY**; Power – The result, by combining the rich soils in southern Italy’s region of Puglia, oak fermented and matured Zinfandel, is **BIG BOYS**. A powerful and truly full bodied bottle of wine!

Goes well with beef, pork, game, poultry or pasta dishes at 18°C.
