

SUSTAINABILITY MANAGER & LEAD AUDITOR

ACCORDING TO THE SOPD STANDARD EQUALITAS REV. 5

SUSTAINABILITY OF THE WINE SECTOR: ORGANISATIONS, PRODUCTS, DESIGNATIONS

24th and 25th February 2025

OBJECTIVES

The course aims to train participants on sustainability in the wine industry according to the latest version of the SOPD Equalitas Standard, enabling the qualification as Sustainability Manager for those who attend the course and the additional qualification as third-party auditor under SOPD Equalitas for those who will take and pass the exam.

The course aims to transfer theoretical knowledge on:

- Requirements of the SOPD Standard Equalitas for Sustainable Organisations and Products
- Implementing Regulation of the SOPD Equalitas Standard

TARGET AUDIENCE

The course is aimed at those who intend to implement a sustainability management system for Organisations and Products according to the SOPD Equalitas Standard: quality managers, sustainability managers, agronomists, HR managers, quality system operational staff, consultants, certification bodies production managers, auditors interested in obtaining the qualification of third-party auditor under SOPD Equalitas.
